## A Message from PHOTOFAIRS

---

*In light of global health concerns regarding COVID-19 and the resultant ongoing restrictions with international travel and large gatherings, we regret to announce the cancellation of PHOTOFAIRS Shanghai 2020.*

*After much deliberation we felt we will not be able to offer an experience that is up to the level and standard our audiences and partners would naturally expect from PHOTOFAIRS, and would serve our community best by exploring other forms of engagement for this year.*

*We would like to thank our galleries, partners, curators and collaborators for all their efforts in the lead-up to the fair. We appreciate their hard work, dedication and ingenuity in trying to overcome challenges and making this year's edition a success.*

*As Asia Pacific's leading destination for discovering and collecting photo-based art, PHOTOFAIRS Shanghai remains committed to its community of artists, collectors and gallerists and will continue to support it via a series of online initiatives and a local programme of events.*

*We will share details of these activities across our digital channels in the coming weeks and look forward to welcoming everyone back to PHOTOFAIRS Shanghai in September 2021.*
